**Sign Ups Are Closed for This Year.**

Attention Heromorphers!

It is that time of year again to bring out the scariest, most frightful images created by Heromorph artists. Sign ups are now under way. You have until **09/18/2012** to put your name in the boiling pot. There you shall simmer with others brave or fool enough to endeavor this feat not for the faint of heart.

You just need to submit your name and listing your medium is optional. For Example:

Dark\_Wanderer: 3D Rendering

**Do Not submit E-Mail Address. They have been removed to protect you from Spam.**

You do not have to be limited to just one Medium. Fell free to sign up for all of them. Drawing, Photo Manipulation, 3D Rendering.

On **09/19/2012** your name will be paired randomly with someone and you will be notified of who your partner is and how to contact them. It will be the responsibility of teammates to communicate with one another for completion of the image, which can be anything conjured between the team as long as it is Halloween based.

**Each Team will have until 11:59 EST 10/30/2012 to submit their image.** Details on who to send the final image to will be detailed in the pairing stage. If you are unable to meet the deadline for what ever reason, contact one of the Moderators and a stand in will be provided to help. Please make the notification at a minimum of 2 weeks before the deadline if possible, as this will allow us enough time to get some one in the preferred medium.

What is in it for Me? You ask? The Winning team will be given **Gold Membership** to the Site. What does this mean for you? Access to more of the site and galleries offered only to gold members. There is a Catch however. You must finish as a TEAM. If one person drops out from the team, and a stand in called in, they will not be eligible for the Prize. Only the remaining team member would be granted the prize.

HAPPY HALLOWEEN!

**\*Edit\* Slight Update.**
