I was never really one for showing emotion, in fact, I've been called a 'heartless bastard' on numerous occasions. Yet, as I read Jr.'s post about Wolf, and Wolf's own words, my heart sank. I've come to view us Heromorpher's as more than just a collective of artists and fanboys, but more as a (cliché? coming) family.

Unfortunately, I've never been much into Dr. Who, so I doubt I'll be participating in this one.

So let's hear it for our dear brother Wolf. It is most unfortunate that such a thing has happened to such a talented person. It pains me even think of any of the HM family moving on to the other side, but if you must go, go in peace when you're called.

We'll see you there soon enough.
