I generally have no problems expressing myself here at Heromorph...but I am nearly at a loss for words.

I lost a brother to cancer some years back, one of the finest human beings I had ever met.

And it seems the beast is in the throws of taking yet another great one.

Wolf, sir, you commented on some of the first manips I ever did here. Your words of encouragement boosted both my confidence and my enthusiasm to improve.

I shall carry those thoughts with me always, as I believe many others will whom you've inspired.

Thank you for your help, and best wishes for your journey ahead.
