Ok Star, just because you asked:

<http://heromorph.com/heromorph2/modules/sections3/index.php?op=viewarticle&artid=5>

How about a poll to find out wich style is better:

1. Old style present on most comics
2. Navigation thru thumbs present on Digital Interface
3. Fullscreen view (or the closest I can make) present on Knockout Vee Stories #1

Lemme know your preferences and in due time I'll change the rest of the comics to the one with more votes.
