Only one vote so far?

Come on, you slackers, vote on the poll above.

A reminder of the votes from the previous trhead on this subject started by StarChild:

Quote:

Option 1. Old style present on most comics -- 0 votes

Option 2. Navigation thru thumbs present on [Digital Interface](#) -- 3 votes

Option 3. Fullscreen view (or the closest I can make) present on [Knockout Vee Stories #1](#) -- 4 votes

Option 4. Navigation thru thumbs **without javascript** present on [Explosive Vee Stories #1](#) -- 0 votes

I will be adding this votes to the ones from this poll on my final count, so vote!!!
