One of the reasons for that, the other one being giving people a chance to vote, is my lack of free time.

But you make a good point and as soon as my free time permits, I'll start on this and change all comics to option 3.

Anyway, I'm feeling that almost no one cares since there's almost no votes on the poll above.

I had thought that I voted already... so I voted again (couple weeks ago). Now looking at the results there seem to be less votes than I remember.
