Hi,

where did you send it?

i checked heromorph@shaw.ca and winterhawk200@yahoo.ca and i have received nothing at either. unless it was thought to be a spam mail from the spam filter and auto-deleted.

please re-send to winterhawk200@yahoo.ca as that e-mail is checked regularly. Also please put heromorph in the subject line.

thank you

ps. DD i received your package but haven't had a chance to look at it yet.

sorry for the late response recent health issues have been eating up my time and attention... any way I sent the notice that I'd like to donate the items to the store as freebies through the form on the store as the instructions on this forum ask, and have done so several times with no response what so ever, a mod even said he'd talk to some one so they would get in contact with me and still bubkis. I know you are not paid AND busy people, but I posted this thread after a month of nothing.... any way if you are interested in having them I'd be happy to forward the packages to what ever address you'd like :)

so I dunno maybe the form thingy is broken or something... any way look for email(s) from me soon at winterhawk200@yahoo.ca :)
