What I don't get is isn't Thor his name? Like Bob or Fred? How can a woman pick up the hammer and become Thor? Wouldn't she just be Betty?

Oh, and to really piss me off, rumors are running HIGH that they are about to kill off Wolverine. I am glad that I don't buy comics anymore because that would do it for me. I am luck that I have never liked Thor or Cap. So do what you want with them... but Wolverine? No Sir!
