Damn! This is the contest I would love to enter if only I had the time.

And with such good ideas floating on my mind: take advantage of Jr's weakness with sheeps, make Winterhawk delusional about his omnipotence and such (he's sort of god, ain't he?), use Daruma as a soccer ball or basketball , make Dark_Wanderer ring without powers or tartanninja (I think those two have similar avatars) and make them believe they still have powers, make OCP lose control of his flames while running across a frozen lake and sunk.

Damn!

Damn!

Damn!

Oh, well... maybe someone else can use any of my ideas... and maybe make some funny images with them.
