We hope everyone has enjoyed the celebration of Heromorph turning 10 through the use of the Evil Rising Story, Contests, and Prizes.

I had a lot of fun putting this together. I would like to say Thanks.

First, Thank you, the dedicated Morphers, creators of some of the best fan art inspired by: Comic Books, pop culture, various media forms, and fellow heromorphers. Without you we would not have had purpose.

Thank you Moderators and Heralds who have sacrificed so much time behind the scenes to make the site a great place to meet and make new friends, to allow us all to grow close and become a tight knit family.

Thank you Dark Wanderer and Pijon, for your time dedicated to making Evil Rising possible.

Thank you to everyone that donated props and textures to support the events that unfolded in Evil Rising.

Thank you to everyone that participated in the contests.

Thank you to everyone that keeps coming back to the site, keeping us alive.

As one last bonus, I will be taking everything Dark Wanderer has done for Evil Rising and turning it into a comic book to be added to our comic galleries, and I will be turning it into a music video. It will even be a director's cut containing deleted images not seen in the Evil Rising Event.

Here is to you Heromorph! May we continue on for another 10 years.
