Lady H, I would like to step in on this one for just a second. I love the idea of this challenge and while I would love the chance to with this AWESOME Prize,I want to make this quick change to the rules.

Moderators are encouraged to partake in submissions, however, images submitted by Heromorph moderators will not be used in the final voting. Only images submitted by non moderators will be eligible for voting.

So sharpen those crayons, moisten the markers, ready finger paints or fire up the cpu for digital.. what ever it takes and show us your skills in coloring!
