I can not recommend this highly enough! DOWNLOAD THIS FREE PDF COMIC!! You can get it at:

SUPERMAN is © 2017 DC COMICS. Superman created by Jerry Siegel and Joe Shuster. By Special Arrangement with the Jerry Siegel family.

If you liked the work of Darwin Cooke, this is highly evocative of that style. It's called Superman: the Golden Age. It is very much influenced by that golden age in tone and style. I have instantly been turned into a HUGE Adrien van Viersen fan! I rate this as easily among the best superman comics I've ever read. You can really see his fondness for those old stories. A lot of love went into this outstanding comic. 5 stars.
