I leave for a few days and everyone gets all crazy on me. Actually, I have no idea what I am saying... I am suffering from a Three Day Drunk hangover and can't think. My brain is officially shut down... so... I don't think I have any real whitty stuff to say... Not yet anyway.

OK...

BB: VE is correct, I chal. him a while back but he ran to Billy for the first Duel... I think he couldn't read or was scared stiff about the challenge!

Oh, and VE... I JUST picked my base... That was funny that you posted that. Ha-efen-Ha! Now, I have two months to make all of you wonder what I am doing. I will tell you that it is a "pin up"... go figure!

I think that is all for now.
