Did I say "Poop"...

I meant "pop"...

But then as I type I think to myself "I sure don't want to 'Pop all over myself'"... so, we had better keep it "poop"

I am not safe anywhere... not even here... quad post... never before has it been done... Until now... and well, lets make it a Fiver!

I make a good point. no one cares to look at the same thing over and over. Especially when it knocks off others work. A side by side would fix this perfectly.

Lookie there... I changed "McDeath" to "I" and "Makes" to "Make". Now that was fun!
