Yeah, one of my friends who's glanced at it (and a talented artist in her own right. She's posted here in the past) said she didn't really like the face. I have to agree, one of those things you do hoping it'll work, get a way down the road then realise it looks a bit crap.

I'll rework that at some point. Have a little more tidying up to do on the pic anyway, just wanted to throw it open for comments.
