Gouge, that is horrible. The child has my best wishes, i hope everything turns out well in the end.

I guess the previous mishap of the wrong model selection thing worked it self out in the end. Angelophile had already done a great manip of that model. So if no one minds. the picture will have 2 models done by angelophile, 1 brick, & 1 Sleepenemy.

the only parts to the puzzle missing are a background and sleepenemies section.
