Dark Helmet: [In Dark Helmet voice] And now Princess Vespa, I have you in my clutches, to have my wicked way with you, the way I want to.

[In Vespa voice]

Dark Helmet: No, no, go away, I hate you! And yet... I find you strangely attractive.

[In D.H. voice]

Dark Helmet: Of course you do! Druish princesses are often attracted to money and power, and I have both, and you *know* it!

[In V. voice]

Dark Helmet: No, no, leave me alone!

[In D.H. voice]

Dark Helmet: No, kiss me!

[V]

Dark Helmet: No! Stop!

[D.H]

Dark Helmet: Yes, yes!

[V]

Dark Helmet: Oh, oh, oh! Ohhhh, your helmet is so big!
