Foamy: This F\*\*\*ing operating system is as unstable as Charles Manson and... I... NEED... HELP!!

Foamy: Why am I paying for first rate tech support from a third world country?

Foamy: Barista? What the F\*\*\* is a Barista? If it's mexican for "No nothing, coffee swill serving a\$\$hole" than that's pretty accurate!

Emperor Palpatine: "It's something I've been working on for a long time!"

Darth Vader: "A boobie?"
