Yeah B4tm4n, those hips are awesome, kinda shaped like an x. You know this thread has taken down two other threads before they even really developed. Yeah, the WW thread is a baby killer. I never even got to put my 2 cents in to those threads before they were "killed" by Hawk. How does it feel to be the right hand of death to the evil, yet sometimes interesting, WW thread? Ya know, I think I might start an Underdog thread, his movie will be coming out soon. And I just want to see who you all think should be cast in that movie. I vote for that ugly chick with the horse teeth that used to be Hawk's AV to play Polly.
