I was sent by Proudulf to check out if it was ok to come back. She's been hungry for a couple days now so we better make sure she has plenty to eat. May I suggest a sacrifice? Maybe some offerings? I see that Thayne got here first, he was not the chosen one. He will now be devoured by the great and wonderous Thread. Sorry buddy.

As a peace offering, I thought about this last night. I don't remember seeing this gals name here before. But when I was looking over her pics and her performances as a warrior princess...I thought, Hell why not Lucy Lawless? She qualifies in my book.

Whew, there, now make sure y'all give an offering today to apease the "Devourerer of the Damned"
