It's really hard to find an actor to play a woman convincingly... Definately not that Patrick Swayze guy. He looked like a circus freak in that "To Wong Foo..." movie. Maybe Miriam from "There's Something About Miriam" and "Big Brother 5: Australia" is available. If they can make Jessica Alba look like a blonde superheroine why not Miriam? Maybe "Carmen" from "It's Always Sunny In Philadelphia" is available.

I'm trying to nip this one in the bud before we have another hard to read "Who Should Play Wonder Woman?" thread.
