Well everyone, it is all done.

This project was a little more difficult

There were more bumps in the road this time.

My e-mail broke and i could not send e-mail at the beginning of the project.

We had a model mistake and we had a team member leave. (all with team 2, bunch of troublemakers "lol")

But in the end the pictures came out great. I dont think i will attempt to lead 2 teams a the same time again. But it was a learning experience.

Thanks everyone, again it was fun.
