I hold my hands up, all the balls ups were mine. oops. ;)

Anyway, I think we should all give Winterhawk a huge 'well done' for managing to drag some semblance of order from the chaos of our team projects. Thanks a lot man.

We've ended up with two totally kick ass images so everyone involved should be giving themselves a big pat on the back now. Can't wait to see the comments.

So, what's the next project?! ;)
