Lets see.....

Nicolas Cage had a MASSIVE comic book collection that he auctioned off for MILLIONS

Ben Affleck was a DareDevil addict and you saw how that movie did.

Michael Clark Duncan was the first to look confused when they offered him the part of the King Pin, since that was his favorite character and he knows he's white.

Ummmmmmm who else?.....

Y'know I don't really think the director gives a damn about the comic book geeks vote. Not when the rest of the world has more money.
