Never seen it.

Your loss. Shell out some of that cash and get cable, Jr. It's called The Cartoon Channel. Trust me, you need it.

I got it... Dillweed... I just never watch it. Sheesh.

I don't even know what time it is on... etc...etc... and when I get home tonight, I will forget to look... and if I look now I will forget what I was suppose to remember...  
What aer we talking about anyway? Adult Swim?
