Jr, I wasn't stabbing your WW pic. It's just that when you linked it, I thought I was gonna see something I hadn't seen before. So I hear you're working on a new manip?????

Come on now... do you actually think that you would have missed one of my manips? I never do them... Oh... and SHHHHHHHHHHHHHHHHHHH.... don't mention the new manip in here... it isn't a WW manip and that might make her angry.
