As you can see, I no longer wear the official WW thread garb. You may ask yourself, 'how can I get that nifty looking outfit?'. Well the answer is I'm not sure. What? Do I look like a Mod or something? Maybe if you would somehow incur the wrath of the WW, then you may be given this incredibly sexy outfit to wear. Maybe ask Matrix real nice and he'll let you borrow it for awhile. You might have to beg him because he likes dressing up as WW in his off time. All hail ***Matrix the WW Prophet Blur***
