FP has chosen this month's Challenge, so I will let her make any decisions down the road. (Relax, honey, we Moderators will be your net.) So, in her own words:

"October means one thing: Halloween and free candy. Even though half of you are adults, you still eat your kids hard-earned candy.

What about Halloween in the Hero Universe? How would the X-Men or the JLA celebrate?

Here's the Challenge:

Take a superhero and do anything Halloweenish. Examples- movie posters such as:

Wolverine vs. Dracula: Who Will Finally Die, or Army of Darkness 2

Dressing up:

What if Nightcrawler dressed like Gambit, or Shadowcat went as Emma Frost?

And if haven't forgotten fellow Heromorphers:

Here is yer chance for 5 seconds of fame.

Make yourself into the hero you are (or u think you are).

drawings and photomanipulations will be excepted. This Challenge includes Disney, video games, and Manga characters also.

Good luck and early happy Halloween.

-FP"

Have at thee, Artists!
