"And if you took the time to really get to know me. Find out what kind of person I truly am instead of just stereotyping me because of the way I look. Well, you'd be wasting your time. Because I'm exactly who you think I am."

"Some people might think gettin so drunk you accidentally marry a woman that's six months pregnant is a good reason to stop drinkin. Personally, I think it's a good reason to keep drinkin."

"People ask me how I can stay with a cheatin wife and two horrible kids that aren't mine. I guess I just believe in the sanctity of marriage."

"Ain't no use runnin fool I know where your mama parks your house!"
