LOL ...well Actually i did create at one time a league called "Fruit Force" and it was gonna be a supergroup within the game...i still may do it when i get city of villians

I had a male character called "The Apple Agressor"

and the villian or "arch-villian" was "Lime Lord"

How about "The Human Hairdresser" and "Queen Crossdresser"? "Interior-Decorator Man"?

And their enemies, "The League of Conservative Republicans"? Led by "Major Purity"?
