An entry fee. Everyone pays e.g. \$2 via Paypal to the judge or a moderator who isn't competing. Then the moderator buys something for the winner.

Why it would be my pleasure to hold all the money. C'mon, I'll write you a check...

(And that's the last they ever saw of BikerBot...)

Slight problem with elimination competition, what if 2 really good artists are against each other in the first round? One of them will be eliminated when their artwork may have been good enough to come second overall.

That's why setting up the "seeds" is all important. Don't worry, we Mods have done this before...

I was thinking of putting you up against redfuryx59, think ya can take him?
