Yeah! Come get some, she-bitch! I'd like to thank whoever made the tournament brackets for giving me an easy ticket to the second round...

...I'm sorry, baby!! I didn't mean it!! Bio made me do it!! Let's never fight again, o.k.?

(what can I say? I'm a sucker for a hot gamer chick that writes/draws superhero erotica and can speak German...

Also, I genuinely can't wait to see everyones pictures!)
