naselly voice Everyone better come to this contest with their best work. I intend to deliver a most incalculable piece of stupendous art unto your meager and paltry existences. When all is said and done and the proverbial smoke clears....only I will be left standing to take the coveted prizes. If you want, I can even put aside my pocket protector, calculator and protractor to make it a fair and evenly matched contest. Good luck and best wishes to you all...you will most definitely need it. Yuck yuck yuck, snort, heh heh heh.
