is this thing still hanging around?

WHY?

let's face it...any movie they make is gonna suck worse than any naked singularity that might be out there...it's about time this thread was put to bed...and JrMcJethro needs to remember that the two busty Japanese maids I've gotten him are for housework ONLY! I hear any more laughing and giggling after "lights out"...HE can start paying the 295,000 yen/day that i'm paying each of them to be here! AND QUIT DRINKING THE GRAPE FAYGO...THAT'S MINE!!!

( kids...SHEESH!!!!!!
