For those of you who might be interested in seeing a bit more of Smallville's Erica Durance, pick up a copy of 2003's House of the Dead.

Has a scene of her running through a river in a VERY skimpy pair of panties and nothing else. :)

I thinkg I hear an angels choir! Aaaaaaaaaaaaaahhhhhmmmmmmmmmm! Thanks BA... because Yes... yes I would...

Oh, and Hatcher has nothing on Erica!
