Yeah, hmmm, I have my glasses on. Scroll down a bit to your post where you say...."95% done with mine. Just finishing up the hands. As for posting on the 19th...a weekend...I want my image to last a little longer than 3 hours on the front page LOL"

I inferred that you were gonna post early and didn't want to wait til' the 19th. So nyah.

Chicken Sh!t? Come come now, I am not scared I'm merely waiting to post...until....I'M DONE! That's right Mr. Insanity, I've yet to finish, got to make sure everything is perfect to slam you...hey wait a minute. Should all this uh, what do you call it? Trash talk be between me and Dreamslayer? I mean why am I wasting my time on you? I won't even be paired up with you, what with you not making it to the final round even. Hmmm, yeah, talk to the hand.

Disclaimer: The preceeding has been a mock Trash talk session. No artist were harmed in the making of this post.
