Are we still talking about this? Holy Moly...

OK...I can't remember if I have said "Who cares... the movie is going to suck".... but.... Who cares... the movie is going to suck.

But since I have booted this thread back to the top expressing my opinions on how crappy this movie is going to be... then Yes... I agree with Thayne. Jack Black. I mean, it might as well have a fat man running around in a bikini because that will be the only disturbingly entertaining part of this soon to be turd. Don't get me wrong... I love WW... but a movie? Come on. They are going to over SFX it and the whole movie will be one digital monster and explosion after another... Roar...

Boom...Roar...boom... kiss... kiss... Roar...Boom... tell me the truth... I have you in my lasso... NO wonder woman... I have slipped from your lasso and I have you now... NOW you tell _me_ the truth... Kiss... Boom... hey look... a woman that can fly... sitting in an... what is that... I can't tell... is it a jet? Roar... Boom....

Turd.

Way back in post number 23 Jr tried to kill the thread. He didn't understand her Power. Here is the proof, He doesn't deserve the love of the Thread, She Will be Mine, Mine I tell you.....

Now I just need to find dirt on that Bastage Matrix, She Will be Mine I tell you...
