Personally, I tend to just wait and see what hits the screen. Even if sometimes it's a big fan blowing lots of sh!t at it.

I didn't even finish reading your post and thought the same thing... Sh!t... it is all sh!t...

Yeah, don't worry about Tommy Boy and Iron Man, he is too busy brain washing his new baby maker-Katie... He doesn't have time to do a movie.

Oh, and did I mention that all these movies are going to suck... some that have been made already sucked... why try to re-suckafie them by remaking them?
