I must be a freak of nature cuz I am very much a comic hero fan and unlike everyone around here, I have liked the movies that have come out recently. Sure, lot of people went and knocked the Hulk, but I thought it was awesome. Really loved the shot where he is charging in at the tank and slams into it, makes me think of a rhino in Africa attacking a truck.

I thought the Fantastic Four was great. Wonderful bit of escapism from my daily grind.

And the latest Batman flick...holy ****ing **** Batman!!!
