Can't go wrong with X-men? You do remember that Halle Barry is still in this one, right? Remember Catwoman? Other than that, I'm also disappointed that it will be X-men vs. Magneto yet again in X3. C'mon! They DO have more than one villain.

A couple of the Batman movie s were pure dung. As was DD in my opinion. And Hulk... well... I was never able to see past the pathetic CGI Hulk.

And Fury? With Hasslehoff? My god, what a stinker

So, My expectations are low when I hear about upcoming movies like Namor, Thor and Wonderwoman.

But with some luck, they may surprise me.
