I've been enjoying the comic book movies, too. Well, except Catwoman. And I didn't think that was as bad as some people were saying. I heard all sorts of bad things about F4, but I enjoyed that, too.

I hated Nick Fury and the first Punisher movie. Maybe it'll be better the second time around for Nick. Punisher was certainly better.

Who am I kidding? If they make a comic book into a movie, I'll watch it.
