Sometimes I wish they just would kill 'em all.

I hate big cross over events, like any of the ones that have been in the Batman books in, say, the past ten years. Bruce Wayne is framed for murder, and Batman pretty much does nothing to solve the case. . .but Nightwings on going plots in his book can wait while he crosses over. My pet name for that series was Batman: The Guano Saga.

Don't even get me started about Secret Wars. . .
