DC sucks! Marvel rules! Woooooo! Go Stan Lee go!

Oh...and I also dislike cross-overs. Shamless ploy to sell you titles you don't want. *grumble*

As for the DC universe... I never quite felt like Gotham (with Batman and Co.) fits in with Metropolis and the whole Superman/Green Lantern/Teen Titan/Justice League world. I would very much like to keep Gotham with it's dark and moody world away from the whole colourful space thingy. Am I the only one who feels that way?
