A few of us from my job are going to go see "Aeon Flux" this weekend. What I need to know is if anyone has seen it yet...and, if so, how does it rate? What did you like / what did you hate? Lousy script? Great F/X? Popcorn too salty? Floor too sticky?

In other words...is it another 'X-Men 2'? or is it a 'Santa Claus Conquers the Martians'? type of movie.

Leave notes here, capish? Tank Ewe.
