With respect to vonisgr8, I do not listen to critics whatsoever. Case in point, Aeon Flux, just saw it with my son, and we both liked it alot. I wasn't bored, I didn't have a problem with the script, I thought everyone acted well in it, Theron's voice wasn't monotone, I just feel that the critics and I saw a different movie. Which is why I allow for my own judgement and not those of others.

Thumbs up for me.
