OK I do not know how to say this other then to just say this.

I have had two different people bring up to my attention that Proudwulfs picture was not drawn by him and is line for line exactly like a drawing that appears in the book.

Kerry Gammill's DRAWING MONSTERS AND HEROES FOR FILM AND COMICS.

From what I am told, the cape has been removed, and the logo on the chest is different as well as being flipped but everything else is exactly the same line for line. The image above is the best I saw online.

I am sorry to bring this up, and it saddens me to do so, But I would like to hear the rest of you all on this matter.
