hmm ya know marv, Thayne has a valid point. However, in your case i do not see a valid point, what i do see is childishness and pettyness, is this what HM has come to be?? if so , let me out of here now.. Personally, I thought better of all of you, and i find i'm disappointed in you most of all marv.. is this how you behave to a friend? if so then i am glad i have very few friends. at least i am more forgiving of mistakes ..... That is all....
