Ok you want me to go in to details so here goes

1st Marv was given a very hard time on the last challenge, I told him I could see why he could think what he did, and I had no hard feels, but it was real. So please lay off him.

2nd I fully admit this one is a comic mod, it was done as a joke, a bad joke maybe but not to hurt anyone.

3rd I'm sorry if I made you feel as if I was blowing you off Kevin, it was not what I wanted.

4th Im sorry if this has hurt any feelings, it was not my intent.

5th As far as barred from competing in the challenges here at HM, if thats what you want I gladly except it.
