I saw it opening night and I love it. You don't need to watch the original series to understand this movie at all. Everything is set up in it's own world which I think is really cool. I actually, well.... I don't mean to disrespect Peter Chung or anything but I think the movie makes it look bad. The series was just ok in my opinion compared to the movie. More character development.... Cooler costumes/locations/technology. Hmm.... A+
