Just curious Dar, how much of your man-thing do you have done?

My guess would be Dar is about four inches

And That would be midnight my time

Honestly? If this stupid laptop hadn't crashed, I would have finished in the time between this and the last post. It's really just gonna be something to cover me if Billy doesn't post.

And don't make me slap you upside the head with my four inches (hey, I didn't say it was a giant-sized man thing...)
